Pharmacy Email Address

Certifications:

I,

Name of Pharmacist-in-Charge

Registration Number

- certify that I will ensure that all relevant services that take place in the above pharmacy will be conducted in accordance with the *Standards for the Safe and Effective Provision of Opioid Agonist Maintenance Treatment*. This includes, but is not limited to:
- Staff Education - All relevant staff, including any relief staff, are appropriately educated and trained to understand the scope of their role in the provision of opioid agonist maintenance treatment.
 - All relevant pharmacist staff members, including any relief pharmacists, are authorized by the Board to participate in opioid agonist maintenance treatment.
 - Security - The security of the premises addresses the potential risks associated with the provision of opioid agonist maintenance treatment and the risks to the community that can result from theft of these medications.
 - Policy and Procedure Manual - The pharmacy has developed, and will maintain and regularly review a policy and procedure manual related to the provision of opioid agonist maintenance treatment.
 - Required References - All required references, including the standards, are available in the pharmacy in either print or electronic format for staff reference.
- certify that the information contained in this application is complete and correct and I recognize that providing false or incomplete information on the application may be cause for revocation of authorization or an allegation of conduct deserving of sanction.

Pharmacist-in-Charge Signature

Date Signed

Pharmacists-in-Charge are reminded not to participate in OAMT services until notified by the NLPB that this application has been approved.
