Application to Register as a Pharmacy Participating in Opioid Agonist Maintenance Treatment

(In accordance with the NLPB Standards for the Safe and Effective Provision of Opioid Agonist Maintenance Treatment)

Pharmacy Information:

Pharmacy Name

Pharmacy Licence Number

Name of Pharmacist-in-Charge

Pharmacist-in-Charge Registration Number

Email Address

Phone Number

By signing below, I certify that:

- The information provided on this application is correct and, as such, make application to offer opioid agonist maintenance treatment services (OAMT) from this pharmacy.
- I will ensure that all OAMT services that take place in this pharmacy will be conducted in accordance with the *Standards for the Safe and Effective Provision of Opioid Agonist Maintenance Treatment*, including, but not limited to:
 - Staff Education – I will ensure that all relevant staff, including any relief staff, are appropriately educated and trained to understand the scope of their role in the provision of opioid agonist maintenance treatment.
 - Staff Authorization – I will ensure that all relevant pharmacist staff members, including any relief pharmacists, are authorized by the NLPB to participate in opioid agonist maintenance treatment.
 - Security – I will ensure that the security of the premises addresses the potential risks associated with the provision of opioid agonist maintenance treatment and the risks to the community that can result from theft of these medications.
 - Policy and Procedure Manual – A policy and procedure manual related to the provision of OAMT services has been developed and will be regularly reviewed.
 - Required References – All required references, including the standards, are available in the pharmacy in either print or electronic format for staff reference.

Pharmacist-in-Charge Signature

Date Signed

Pharmacists-in-Charge are reminded that the pharmacy may not offer OAMT services until notified by the NLPB that this application has been approved.
