CORE VALUES DEFINED

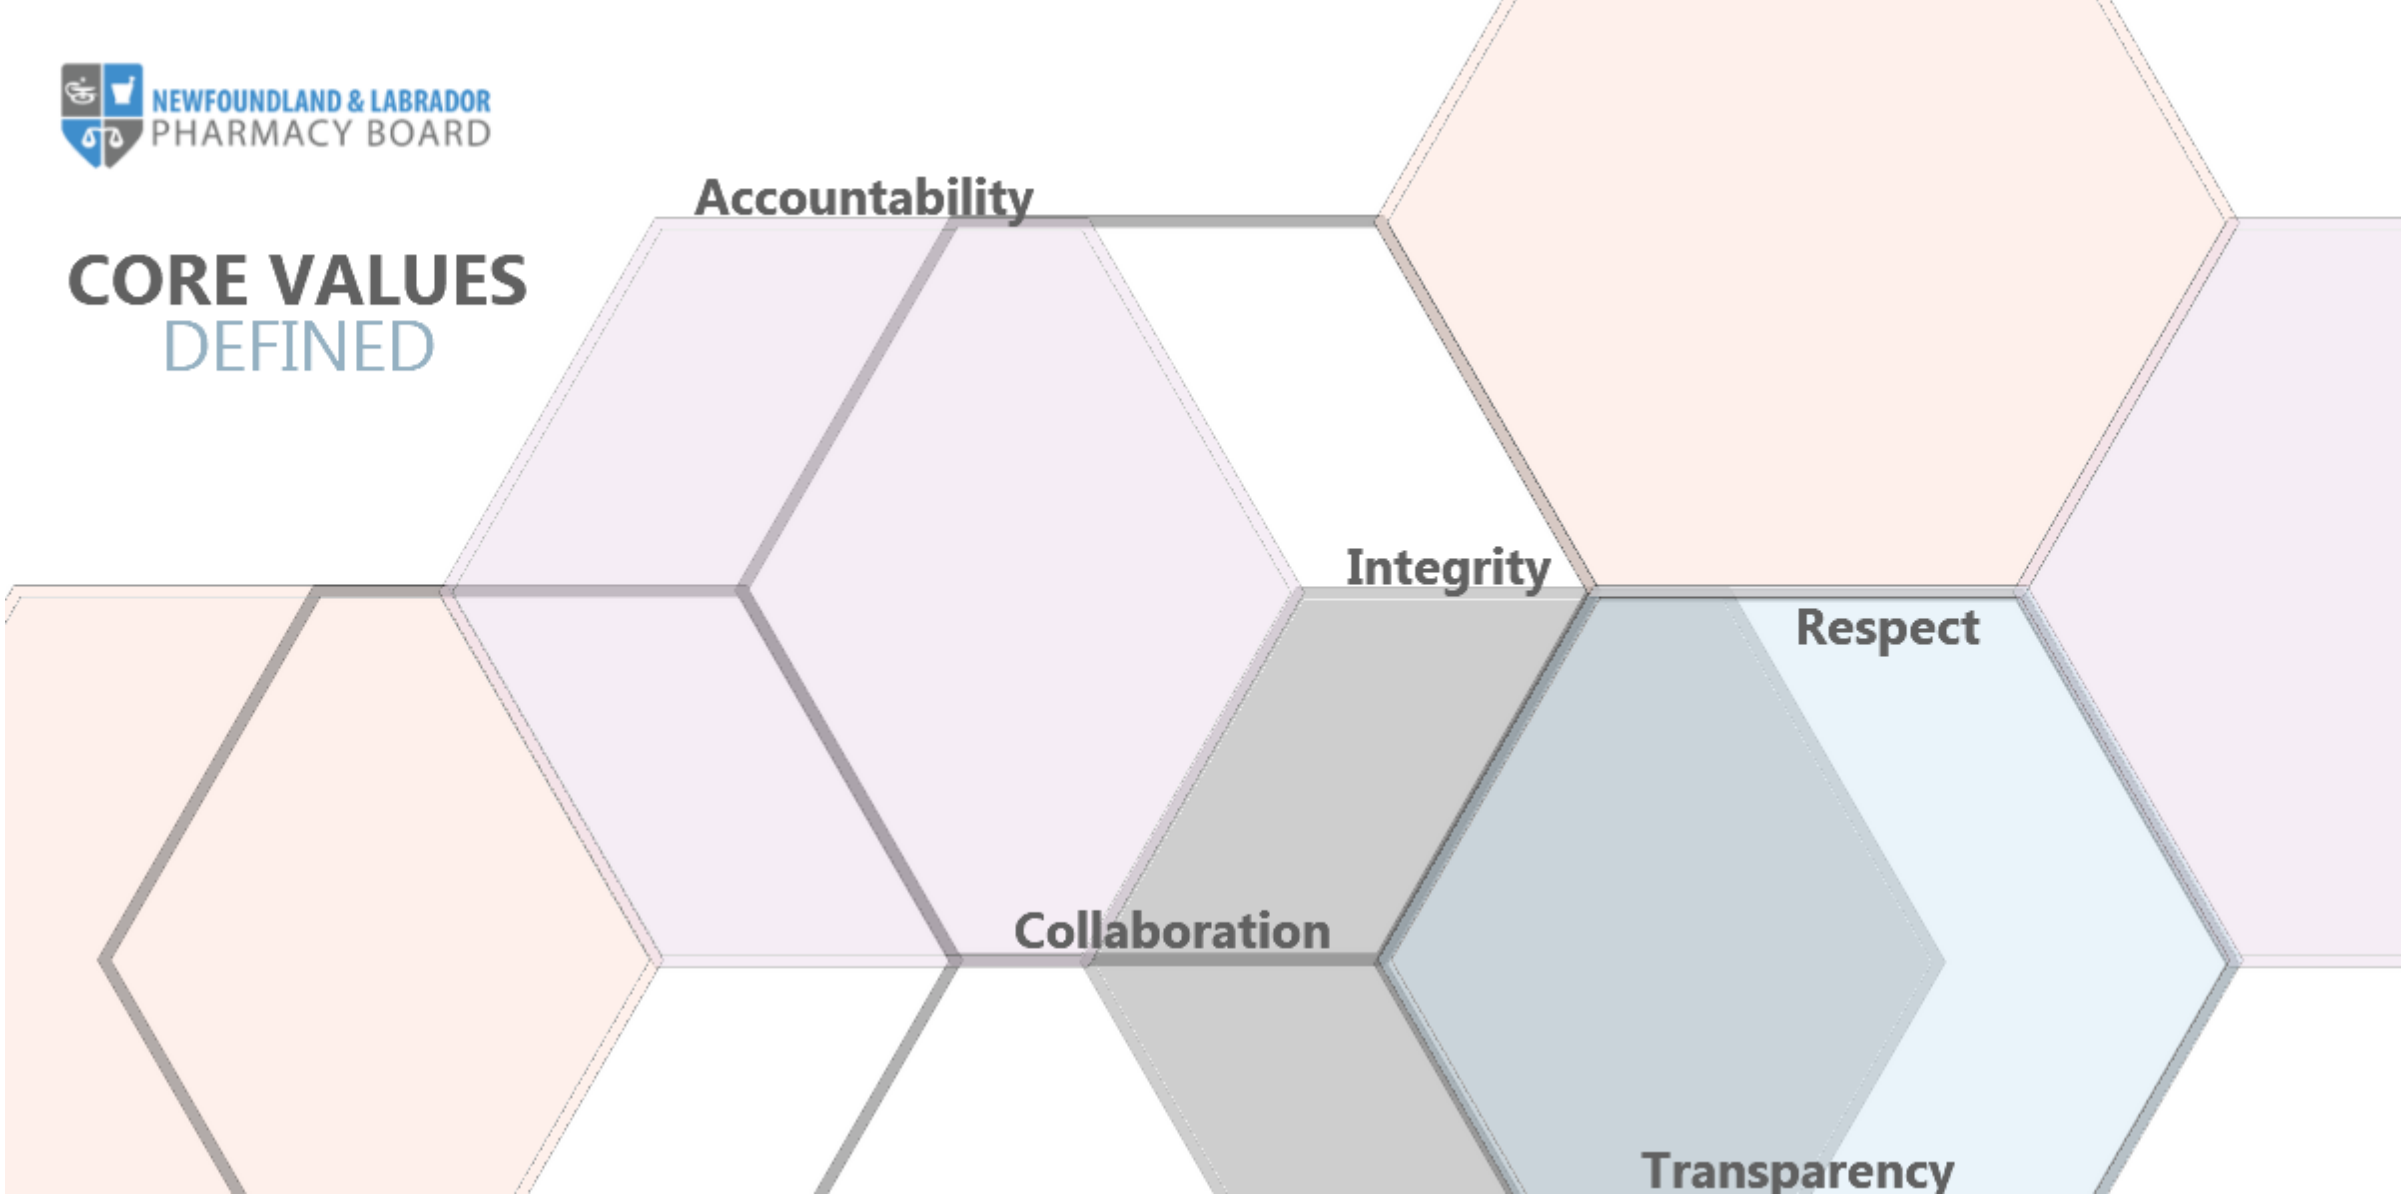

Accountability

We stand by the same ethical behaviour & moral standards that we ask of our registered pharmacists, pharmacy technicians & student interns. It is our responsibility to the people of the province to ensure registrants are providing safe & quality pharmacy care in accordance with the *Pharmacy Act, 2012*, its Regulations, By-laws & Code of Ethics.

CORE VALUES DEFINED

Collaboration

Collaboration plays a significant role in everything we do. It is a value we encourage our registrants to embrace, & one we hold ourselves to every day to continue working together towards enhancing self-regulation of pharmacy practice.

CORE VALUES DEFINED

Integrity

We act with integrity to advance pharmacy practice for the people of the province. Our actions are based on what is in the best interest for the public; our activities support the optimization of patient-focused pharmacy care, thus, promoting safe & healthy communities.

CORE VALUES DEFINED

Respect

Respect is applied from the ground up for us. That means respectful communications, & thoughtful consideration given to how the public, our registrants & stakeholders wish to receive respect. We ask for the same consideration to be given to the Board members & NLPB staff.

CORE VALUES DEFINED

Transparency

Transparency is a priority & is integrated throughout the organization. We continually make our best effort to effectively communicate Board approved goals, actions, & endeavours so that the public, our registrants & stakeholders are well-informed.
